Source Naturals® Skin Eternal™ Awarded #1 Skin Care Line by Whole Foods Magazine

Nutraceutical cosmetics are the fastest growing segment of the skin-care market, representing sales of \$3.4 billion in 2003.

The complete Skin Eternal product line was voted the #1 skin care line by readers in Whole Foods Magazine's 2004 Natural Choice Awards.

Skin Eternal products feature ultra silky serums, rich emollient creams, soothing bath oils, and nutritional supplements for beautiful skin from the inside out.

Natural ingredients include breakthrough nutraceuticals alpha lipoic acid, DMAE, hyaluronic acid, & ascorbyl palmitate.
