

WELLNESS HERBAL KIDS™ LIQUID

Immune Support for Children—Ages 1-12

For parents, nothing is more important than ensuring the well-being of our children. That's why Source Naturals developed WELLNESS HERBAL KIDS.

WELLNESS HERBAL KIDS is the only herbal liquid for children with the Wellness name behind it. This unique and powerful cold weather blend features the prime immune herbs, echinacea and goldenseal. Unlike typical formulas, WELLNESS HERBAL KIDS also contains the famed Yin Chiao Chinese herbal complex, plus uncommon winter botanicals from around the world. And WELLNESS HERBAL KIDS is alcohol-free, with a great kid-approved taste.

Source Naturals WELLNESS HERBAL KIDS: because nothing is too good for your child.

ECHINACEA & GOLDENSEAL: BOTANICAL IMMUNE SUPPORT

Echinacea, one of the most popular herbs in the United States, has been used to support natural defenses for more than 5,000 years. A highly valued Native American botanical, it has been shown in modern research to support immune function, specifically the activity of macrophages. Echinacea's beneficial activity is due to a number of constituents, including polysaccharides and echinacosides, a group of compounds found only in echinacea. WELLNESS HERBAL KIDS features *Echinacea purpurea* and *Echinacea angustifolia*.

Goldenseal, another Native American botanical, has been used for centuries to soothe sensitive mucous membranes, including those in the respiratory, digestive and genitourinary systems. Its beneficial properties are attributed to its alkaloids, especially berberine.

YIN CHIAO: CLASSIC CHINESE FORMULA

According to traditional Chinese herbalism, Yin Chiao is best taken at the first signs of internal imbalance. Yin Chiao features herbs like lonicera (honeysuckle), forsythia, peppermint, and licorice.

SUPPORTING HERBS

WELLNESS HERBAL KIDS includes other traditional botanicals. Elderberry has been used for winter health for centuries. It is a rich source of nutrients, especially bioflavonoids and anthocyanins. The phytonutrients in elderberry positively influence cell function and protection, and support the immune system.

Isatis contains glycosides that help support your body's innate defenses; it is valued by herbalists as a complement to echinacea and goldenseal. The formula also includes the traditional Native American botanicals boneset and horehound, warming ginger, the renowned adaptogen *Eleutherococcus senticosus*, and bayberry.

THE WELLNESS FAMILY™: COMPREHENSIVE WINTER SUPPORT

WELLNESS HERBAL KIDS, an important member of Source Naturals' Wellness Family of natural immune system products, is available in 2, 4 and 8 fl oz bottles. You can also try Source Naturals' other fine Wellness products. Look for WELLNESS EARACHE™ homeopathic kids' formula, WELLNESS COLD & FLU™, WELLNESS COUGH SYRUP, WELLNESS ZINC™ Lozenges and Throat Spray, WELLNESS ELDERBERRY™ and lots more—including, of course, original WELLNESS FORMULA™.

WELLNESS HERBAL KIDS: PART OF THE WELLNESS REVOLUTION

There is a revolution underway in natural health consciousness, and health food stores are in the forefront. You can benefit right now—long before word spreads to the general public—with the innovative child nutrition of WELLNESS HERBAL KIDS.
